Board Approves Audit Report Indicating MVSD Once Again Earned an Unmodified Audit Opinion

Gema Ptasinski, Audit Manager for CliftonLarsonAllen, LLP reported the results of the District's annual financial audit. MVSD's tradition of ensuring fiscal accountability continued as the District received another outstanding audit opinion on the yearly state mandated financial audit. Auditors gave MVSD an "unmodified" audit opinion, the highest opinion that can be rendered by an accountant. Ptasinski also reported on the Bond Financial and Performance Audit that was completed and received an "unmodified" opinion, concluding that in all significant respects, MVSD has properly accounted for the expenditures of the funds held in the Measure SS and Measure M Bond Building Funds, and that such expenditures were made on authorized bond projects. The Bond Financial and Performance Audit is not required but the Board of Education and administration requested an annual audit for added transparency for the District's bonds, Measure SS and Measure M.
