Focusing on Goal 1 - Academic Success for All Students, the plan includes Universal Pre-K, additional hours for Instructional Assistants in primary grades, extended learning opportunities, coordination of community schools and administrative support for that program. Goal 2 - English Learner, Foster Youth, and Special Education/English Learner Student Success, the plan focuses on more support for newcomer students. Enhancements for Goal 3 - Supports for Learning include Campus Monitor Training, Upgraded Recess Equipment, Increased transportation for intramural activities, increased access to After-school Programs, Homework Assistance, Enrichment (STEM, Arts), After-school Physical Activity. Goal 4 - Family and Community Partnerships includes enhancements in the utilization of the Family Center including increasing centralized access to medical/dental/vision/hearing services and increased use of the Family Center facilities and for Library Services the goal is to increase library collections to allow for the check-out of more books weekly.

## **Board Adopts History Social Science Textbooks for Grades K-8**

The Board of Education approved the adoption and purchase of the teacher materials and student textbook from the Teachers' Curriculum Institute: Social Studies Alive! (K-5) and History Alive! (6-8). The Adoption Committee including 20 teachers representing all school sites, grade levels, dual language, and special education evaluated three programs focusing on 5 components: 1) Instructional planning and teacher support; 2) Standards alignment; 3) Universal Access; 4) Program organization; and, 5) Assessments. Then they piloted each of the series in their own classrooms (4-5 weeks) and met several times each month within grade level spans (K-2, 3-5, 6-8) to discuss the merits of each program. After piloting the programs, the committee unanimously recommended the Teachers' Curriculum Institute (TCI) programs for adoption for all grades K-8.
